SAFETY INSTRUCTIONS

EMERGENCY EXITS

They are clearly marked on your floor but in case of dense smoke you may find it difficult to locate them, so spend some time and:

- count the number of doors between yours and at least two emergency exits,
- find out where hydrants, fire extinguishers, alarm buttons are located on your floor.

1. If you notice fire push the nearest alarm button or call the reception desk, tel. 500
2. give your room number and precise position,
3. keep cool and stay calm, following all procedures which are given by front office workers- **they are trained to lead you and help.**
4. Leave the building if possible or enter a safe zone

IF YOU NEED A SPECIAL CARE

If you suffer from some personal physical disabilities, let the front desk know about this fact immediately, tel. 500.

IF YOU NOTICE FIRE IN YOUR ROOM

- leave your room immediately,
- carefully and precisely close the door,
- push the nearest alarm button and inform your all guests in rooms nearby,
- call the reception desk, tel. 500, from the nearest safe place,
- head towards the nearest emergency exit and safe zone,
- do not use the lift.

IF YOU HAVE TO STAY IN YOUR ROOM

Do not panic. If you stay in the room you still have a chance to survive.

- fill washbasin with water,
- call the reception desk, tel. 500, to inform them where you are,
- seal the door air gaps with wet towels and bedclothes,
- remove the curtains and net curtains from the windows,
- if smoke still enters your room wrap your head with a wet towel,
- it may be necessary to open the windows. If the windows are locked break the window pane with chair, but only in case when you do not see any flames coming out from the floor beneath.

IN CASE OF EVACUATION AFTER FIRE ALARM

- check the door and the door handle with your hand. If they are not or abnormally warm do not open the door. If the door is not warmed up open it carefully but be ready to close it immediately if necessary,
- take all your personal stuff and leave your room,
- if there is smoke in the corridor move as close to the floor as possible,
- direct towards the nearest emergency exit,
- head to safe zone outside the Hotel and check if all your family are safe,
- if you are able to, try help those who need it.
